To whom it may concern:

It is my pleasure to recommend Karen Yonkers for a position in a K-12 music classroom.

Karen interned with me at River City Scholars Charter Academy in the K-8 music classroom for 7 weeks. She taught general music classes for students in grades kindergarten through 8th grade as well as the middle school band.

Karen demonstrated incredible knowledge of music and always worked to engage the students in new, relatable, and interesting material. Our fourth-grade students were excited and amazed when she brought in instruments for the students to play and experience. Her passion for music was evident to the students and she used it to build relationships with the students.

Karen is organized, dependable, and has a growth mindset every day. Her experience and knowledge in music transfer right to the classroom. She would be a wonderful addition to a school community.

Please feel free to contact me at 603-387-7093 if you would like to discuss Karen Yonkers' qualifications and experience further. I would be happy to expand on my recommendation.

Sincerely,
Katie Harkema
